

## Engaging Leadership – Be the Leader You Need to Be

SHORT COURSE

### Course Overview

Our experienced educators will guide you through activities that demonstrate principles and practices to create a more engaged and productive workplace.

At the end of the course you will have a better understanding of emotional intelligence, workplace motivation, effective communication and how to find and develop the best employees.

### A smarter future

Our goal is to help organisations and individuals improve their performance and be the best that they can be. We do this by delivering industry leading training solutions at your workplace that build and develop skills and confidence.

### Who should attend?

Participants would include Team Leaders, Frontline Managers and Senior Managers who are interested in improving the culture and performance of their team or business.

### Course Objectives

Learn how to:

- > Develop and apply emotional intelligence
